**Marshalltown - - Iowa**

## *Announcement*

You are invited to attend the 70th Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association.

Few breed associations of any sort survive the years to attain the record of seventy public offerings. In fact, we claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during War or Peace.

Through the years we have distributed many choice cattle which have done much toward raising the average of bovine excellence in this agricultural region. However, among all of these many good offerings of this popular breed of cattle, few if any, could exceed in value the group that has been assembled for this event.

All of the bulls are of good quality and most of them are choice. There are a dozen bulls in the list good enough to be a top seller in the average auction. If you need a real good bull of rich breeding don't fail to inspect this offering.

The females are also of high average quality and several cows sell with calves at foot.

The best of blood-lines are to be found in this catalog. We cordially invite all interested in good cattle to attend this sale.

The footnotes that accompany many of the pedigrees in this catalog will usually be found to be modest and an under-statement of the actual quality present.

### FREE FREIGHT OFFER

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

### WE WILL BE HONORED

The board of directors of the Iowa State Shorthorn Breeders Association will meet in Marshalltown during the forenoon of June 12th and will attend the sale in the afternoon. This is the first time in history that the Marshalltown sale has been thus honored. Bill Anderson, West Liberty, is President and Albert J. Hamann, Rock Rapids, Secretary, of the State board.

## *Terms and Conditions of Sale*

**LOCATION**—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, June 12th, at 1 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

**TERMS**—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents but will not be responsible should any occur.

**GUARANTEE**—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers' risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

**PEDIGREE CERTIFICATE**—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

**LUNCH**—At Sale Barn.

**AUCTIONEER**—C. G. Mason.

**CLERK**—Earl S. Girton.

**FIELDMEN**—T. W. Sherlock of Wallace's Farmer, Bill Imlau, Iowa Beef Producers, Clem Larson, National Association, and Albert Hamann, Iowa Association.

Major Supreme is every inch a herd bull. He has a strong masculine head, he is straight in his top and bottom lines, has good spread of rib and his legs are set under him right. Look him over.

Goldfinder's Tru-Type. The following four lots are sired by him and several of the Fennern females carry his service.

### Lot 3, Bull

Fennern Bros.

### TRU-TYPE'S TUSCAN 2561140

Dark Roan, calved June 18, 1949. Bred by Edw. H. Fennern, Garriscn, Iowa. Calved property of Fennern Bros., Garrison, Iowa

Golden Maud 2d 1984987

Red, A. R. Fennern

Tru-Type's Master—If you like them a little more compact and shorter-legged this one will suit you. Don't think he'll sire but very few light-colored calves. Note the number of red cows in pedigree. His dam is the best daughter of Ringleader's Count; a half-brother of Weston Trade Mark, one of the thickest young cows in the herd.

## Lot 7, Bull

J. E. Smith

## KING'S CHAMPION 2529590

Red, calved Sept. 15, 1948. Bred and owned by J. E. Smith, Richland, Iowa

Elmwood Fragrance 3d 2217575 Red, A. P. Lyon	

Quietvale Fragrance is no doubt the first daughter of Helfred Farm's great stock bull, Imp. Corrimony Emperor, to be offered at public auction. This \$5000.00 bull is said to be the top ranking sire in Iowa at this time. The dam of Quietvale Fragrance was sired by the \$2000.00 Helfred Prentice and is an excellent individual tracing in the third female generation to the well-known Duke of Killearn, thus showing a splendid line of distinguished ancestry. The heifer herself is in very moderate condition, is smooth in conformation, with a perfect tail setting and sweet, feminine head. Sells open.

This young heifer will have her second calf by sale day. She has fed and wintered in an open shed all winter and will be a little thin, however her calf will be by Holmsgaarde Sirdar 2419692, my new herd bull, who is pictured above, he is the son of Imported Marellbar Sirdar 2064572. His dam is a McCone Bros. Clara, who is a granddaughter of Calrossie Goldfinder 1753587.

## Lot 33, Cow

Jealous Maud 3d—A good young Maud cow with a nice roan heifer calf at foot and re-bred to Tru-Type's Design March 3d. These two roan Maud cows with calves at foot are probably the best females we have ever offered for sale, and they are from our most prolific family. Put one in your herd now. They are offered in just their every-day breeding condition, right off the grass.

Sweet Bessie 3d—A good thick, rugged, meaty daughter of Superior Browndale. Bred April 8th to Goldfinder's Tru-Type. This Bessie family crossed with our Goldfinder bulls is proving very satisfactory. In over fifty calves sired by Goldfinder's Tru-Type this past year, not one calf has white hind feet. You can be quite sure of a nice colored calf here as well as a good calf.

Clara 96th—A good young cow. Are keeping her last calf. Bred March 29th to Tru-Type's Design. This should insure a good calf from this mating. The calves by him look like they are going to be the deep-bodied, thick, rugged kind.

GEORGE H. LEWIS, Sales Manager

MARSHALLTOWN, IOWA

6-1-1950

Mr Wayne c. Neely  
Frederick Md.

Dear Mr Neely

I am handing you under separate cover a copy of our 70th Shorthorn sale catalog, and trust that you will find something of interest in it.

I am assuming that your Position either as a student or instructor gives you an academic interest in all breeds of live-stock. Two years ago I made a hurried trip thru your state, stopping briefly at the Beltsville station and also seeing the Wickwire Angus on the Eastern shore.

It appeared that there was room for many more beef cattle than were then in sight.

Here in Iowa the soil is still so productive without artificial fertilizers that grain farming seems to promise almost as much income without the investment and risk of a large live-stock venture and some farmers scarcely have a milk cow.

However we find that those who treat their live stock-enterprise in a conservative fashion and stick to it, have the most fertile farms and steady income.

Thanking you for participating in our 70th effort I am

Yours Very Truly

Geo. H. Lewis.
